Deputy Secretary of State, Voting Systems Technology and Policy

SUBJECT: **Voting Systems Used By Counties for the February 5, 2008, Presidential Primary Election**

We are updating our table of voting systems used by counties for the February 5, 2008, Presidential Primary Election. We would like to ensure we have the correct information for each county. The Secretary of State's office requests that each county respond to the following questions about what voting system equipment will be used for the upcoming election. Please send your response to Miguel Castillo via email miguel.castillo@sos.ca.gov or fax (916) 653-4620, by close of business Tuesday, January 22, 2008. If you have any questions, please contact Miguel directly (916) 653-5614.
